Join us in a Zoom Program

Register for the program with name and email to 860-767-1252 or staff@ivorytonlibrary.org.
After registering, you will receive an email with instructions on joining this virtual meeting.

We will use the Zoom platform to host this event.

Getting Started: You do not have to have a Zoom account to attend a Zoom meeting or program. You will be prompted to download the software, once you have clicked on the link that you have been provided. You may also wish to create an account, but that is not required to participate in a Zoom meeting. Creating an account (free!) in advance will download the software and ensure your computer is ready to go at meeting time.

There is also a free Zoom app available for your devices.

How Do I Connect to Zoom?

2. Click or tap Sign Up, then enter your email address and name. Agree to the Terms of Service.
3. When you receive a confirmation email from Zoom, click or tap the button to confirm your email and set up your account password. Remember to make it a strong one!
4. At the designated time, click the link in the email we send you.
5. The Zoom program will open. Click "Join with Video" or "Join without Video."
6. When the meeting concludes, click Leave Meeting in the lower right corner. Confirm.

Option 2: Joining Through Your Browser

1. In the email we send you, click the link for the library program you'd like to attend.

4. By default your microphone will be muted and your camera will be off.
   To join with audio, click "Join Audio by Computer."
   To turn on your camera so other participants can see you, click "Start Video" at the bottom of the window. Grant permission.
