The Ivoryton Library, a private library association, receives partial funding from the Town of Essex and functions as a public library. We rely on fundraising and membership from our patrons to help meet our operating expenses in order to maintain and improve our collections, to provide fun and informative programs, and to preserve our local history collections.

Please visit www.ivorytonlibrary.org/membership to see how you can help.

Thank you.

LIBBY

Libby is a free eReader app built by Overdrive that offers the same content but designed to make it easier to find, borrow and enjoy digital titles. You can stream or download ebooks, digital audiobooks and magazines offered by the Ivoryton Library and other libraries in the LION consortium.

You can use Libby on the following platforms:

- **Desktop Website**
- **iOS, Android or Kindle** - including Apple CarPlay and Android Auto
- **eReaders**

Read across devices: Loans, notes, bookmarks and reading progress are synced across your devices.

Customize your reading: Adjust font size, book layout and lightening. You can also add bookmarks, create notes and highlights and define words.

No late fees: Titles are automatically returned

Manage titles: Place holds, create wish lists and return titles easily. It also keeps your title history.

PALACE

The Palace Project is a free eReader App offered by the Connecticut State Library to access statewide digital content with your library card.

Are you looking for a simple and easy to use eReader App? With Palace you are able to search and download eBooks and audiobooks in only a few clicks.

You can use Palace on the following platforms:

- **iOS or Android** - Downloads only

Customize your reading: Adjust font size, book layout and lightening. You can also add bookmarks.

No late fees: Titles are automatically returned.

HOOPLA

Hoopla is a free streaming service offered by Ivoryton Library to access content outside of its collection.

No holds. No wait time. You can instantly borrow eBooks, audiobooks, videos, audiobooks, comics, music, movies, and television shows. Hoopla offers more than 1,000,000 titles!

You can use hoopla on the following platforms:

- **Desktop Website** - Linux is not supported. Online only, downloads not available
- **iOS, Android or Kindle Fire app**- including iOS CarPlay and Android Auto. Online or download.
- **Apple TV, Fire TV, Roku, Android TV and Chromecast.** Fire TV Cube and smart TVs are not currently supported.
